

Asbestos Awareness

Duration:

3 hours

Pre-requisites:

Ability to speak and read English to a sufficient standard to complete the course.

Content:

What sets Greencap apart is the practical experience and knowledge of trainers and facilitators each being current or past consultants in their area of practice. Greencap has been delivering asbestos training for over 32 years.

Greencap's Asbestos Awareness course is delivered face to face and is suitable for learners who require being able to identify asbestos in a workplace setting.

The aim of this course is to enable learners with the knowledge and awareness of the hazards and health effects of asbestos.

Course outline:

- Introduction to asbestos
- History of asbestos
- Types of asbestos
- Health risks of exposure
- Locations where asbestos is likely to be
- Commercial, industrial and domestic
- Asbestos laws
- Sampling
- Removal and Disposal
- Minor Works
- Reporting

Location: One of our training venues or yours

Outcome: A Certificate of Participation is issued on successful completion*.

** this course is non-accredited and not recognised for working in the ACT.*

Ask us about contextualising the course to meet your site requirements by contacting us at muddyboots@greencap.com.au or phoning Malcolm Fabiny 0418 349 204. Our trainers can deliver anywhere.

There are currently no dates available for this course.

Greencap provide scheduled dates for courses in their public course schedules; these courses are subject to sufficient numbers of students wishing to undertake the training. Should a course be under subscribed the course may be deferred until it is viable to conduct the training. In this instance Greencap will contact the student enrolled to inform them and re-schedule. Dates listed on this flyer are subject to change; please refer to our website training.greencap.co.nz for the latest public course dates.

*No GST is applicable to the cost of this course

Nationally Recognised Training will be conducted in partnership with Registered Training Organisation (RTO) Integrated Safety Training Pty Ltd RTO Provider No. 21897
